Subject: Lawn Care Service at Cedar Chemical Company, West Helena, AR

Dear Mr. Patton:

The Arkansas Department of Environmental Quality - Hazardous Waste Division (ADEQ) has noted that you have one (1) mowing event left in your current contract, which is due to expire November 6, 2009. Due to a discrepancy in the current contract, the price for the remaining mowing event is less than that needed to complete a full mowing at the site. To address this, ADEQ is allowing you the opportunity to renew your contract ahead of schedule. The proposed contract extension will run from October 1, 2009 thru September 30, 2010 or until ten (10) mowings are completed, whichever occurs first.

In accordance with the terms of the original contract which began on November 6, 2008, the State reserves the right to renew this contract for up to six (6) times in one (1) year periods for a total not exceeding seven (7) years. If mutually accepted and implemented, this would be your first contract extension. The amount and terms for this contract extension are consistent with the original contract. The amount for each mowing will be \$1,200.00. ADEQ requires that the mowings be conducted only when necessary.

If you are in agreement with this request, please acknowledge by your signature on page two. Please return an original signature copy of the second page of this letter along with a copy of your insurance policy. Upon submittal of the above requested information, ADEQ will send you a copy of the purchase order which will act as the contract extension document.

Should you have any questions, do not hesitate to contact me at 501-682-0836 or mcdaniel@adeq.state.ar.us.

Sincerely,

Clay McDaniel
Engineer
